COMPANY PROFILE

ABOUT US

KNOX Corporation is a dynamic, professional company specializing in lighting and premium hardware solutions. We proudly serve as the preferred partner for designers and consultants throughout the entire project lifecycle, offering expertise in planning, supply, and meticulous installation. Our mission is grounded in fostering teamwork, nurturing talent, and exemplifying leadership while operating with unwavering pace, pride, and passion. Committed to being the supplier of choice, we aspire to deliver top-tier products and services, consistently creating value for our valued clientele.

KNOX Corporation's extended family includes Visual Mastery or VIM Lighting Solutions, a dedicated department specializing in architectural lighting solutions. Visual Mastery excels in designing, engineering, and implementing innovative lighting solutions that enhance the ambiance and functionality of any space. Their dedicated mission is to help our clients create memorable experiences that leave a lasting impression. We believe that lighting is a key element in creating unforgettable experiences, and together with Visual Mastery, we are committed to bringing our clients' visions to life, illuminating the path to extraordinary spaces.

SHOWROOM

Situated in the iconic LRI Design Plaza in Makati, our showroom serves as a staple location, cherished for many years as a popular destination for design and interior home furnishings. Here, you'll find a diverse selection of decorative and technical hardware solutions, all thoughtfully displayed in a space designed by the renowned architectural firm PXP Design Studio. Explore our curated collection and experience the art of enhancing every space.

SPOTLIGHT

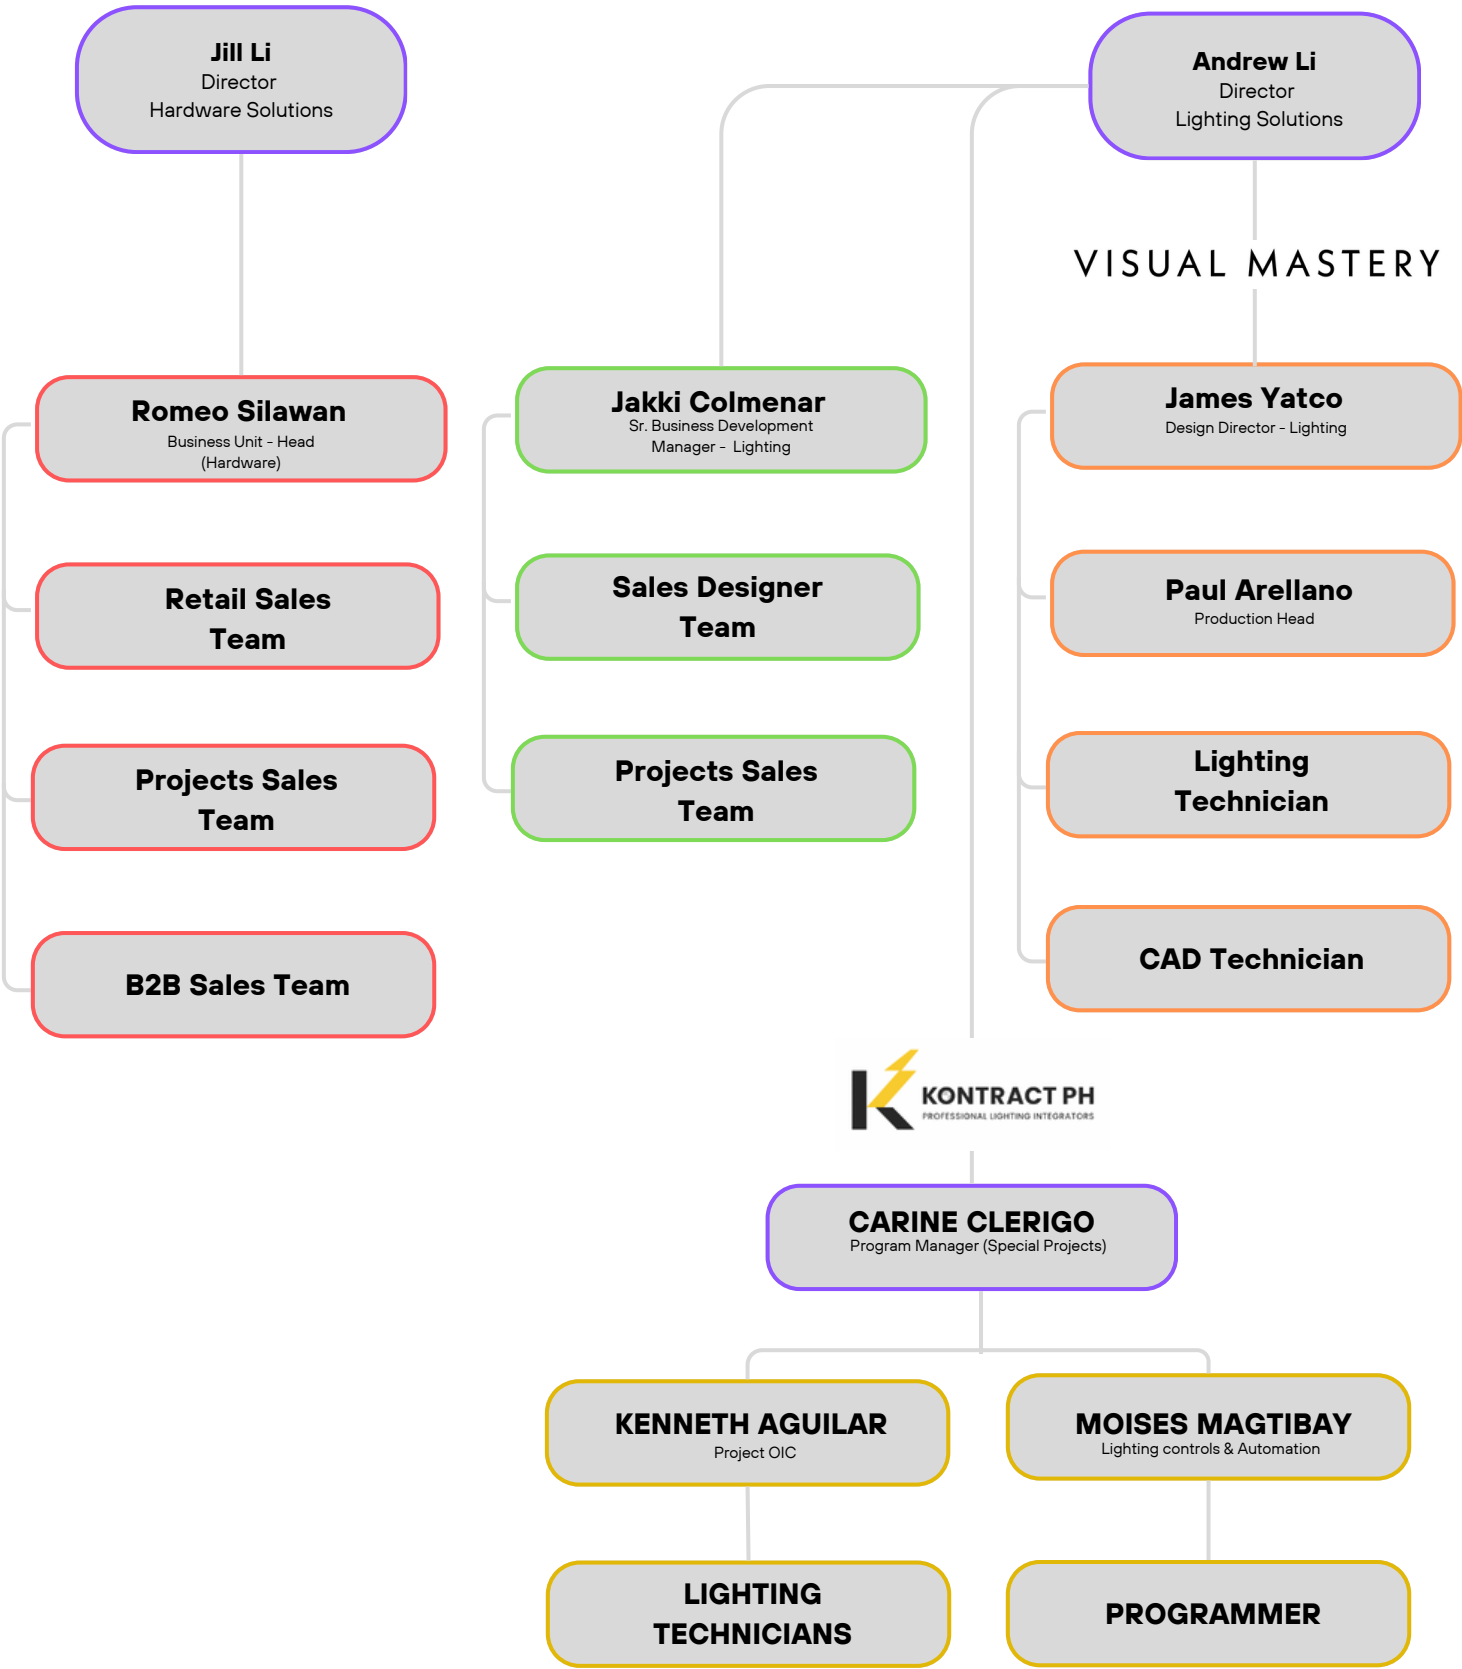

KNOX Corporation has secured a prestigious contract for the supply of premium hardware for around 4,000 doors at Shangri-La Aurelia Residences BGC. Elevating the living experience, we're providing an extensive range of hardware, featuring renowned brands like KAWAJUN and HAWA Sliding, alongside our very own house brand, HOTELINK. This partnership underscores our commitment to delivering excellence and enhancing every space with the finest hardware solutions.
